Hi, Sam,

I want to tell you about my perfect day. Sunday is my favourite day of the week. I usually do my homework on Saturday so I am free on Sunday.

I usually wake up at 10 o'clock and have a big breakfast. Then, I take our dog Sparky for a walk. We always go to the park. There we meet up with my friend, Tom and his dog. After that, I go to the basketball court near my house. I love basketball! I play some games with my friends.

In the afternoon, I surf the Internet or listen to music. Then, in the evening, I watch my favourite shows on TV. At night, I have a bath and got to bed. I absolutely love Sundays.

D Suggested Answer

Hi Pat,

It was nice to hear from you. My perfect day is Saturday. It's my favourite day of the week.

In the morning, I wake up at 9 o'clock and I have a small breakfast. Then, I put on my trainers and go cycling in my neighbourhood. At noon, we always go out for lunch at my favourite restaurant. They have excellent pizza, so I usually order that. In the afternoon, I meet my friends at the tennis court and we play for hours. I love tennis!

In the evening, I do some homework and then I play on my Playstation. After that, I usually watch a DVD with my family.

I love Saturdays because it's the only night of the week that I get to go to bed late.

Anyways that's all for now. Write soon.

Love,

Jane

D Suggested Answer

Dear Sharon,

I'm really looking forward to the weekend, too. My cousins are coming to visit, so I want to do a lot of things with them.

On Saturday morning, we're going to go to the zoo. They love animals and I'm sure they're going to enjoy it. Then, we are going to have a picnic in the park. We are going to play football and ride our bicycles around the paths. In the afternoon, we are going to go to the cinema and see the new James Bond film. At night, some friends are going to come over and we're going to play video games all night!

On Sunday, I want to take them to the beach. I hope the weather is good. We want to spend the whole day there swimming and making sandcastles. Write and tell me what happened.

Love,
 Tamara

Mary: I see ... Grandad, was Manchester very different when you were young?
Grandad: Yes, a lot of things have changed. But it has never stopped being an interesting city to live in!
Mary: Really? What was different back then?
Grandad: First of all, a lot of people worked in the mines. It was really hard work and very dangerous. And back then, Manchester wasn't as beautiful as it is now. Market Street, for example, was busy with people

doing their shopping, but it didn't have as many nice buildings as it does today.

Mary: Oh, yes. Those modern glass buildings are very beautiful, but I like old buildings like the Portico Library.
